Average of Jury Grades		Teacher's Semester Grade		FINAL GRADE	
-------------------------------	--	---------------------------------	--	--------------------	--

For jury examinations, the teacher's grade for the semester's work is prepared before the examination and will be counted as one-half the final grade. Each member of the committee will give a grade for the examination. The average of the teacher's and the committee's grade is the final grade.

Please return forms to Music Undergraduate Office upon completion of exams.
